### General Information

### **OBJECT OF THE SUMMER SESSION**

The Summer Session is intended to provide instruction for regular students of this and other colleges and universities and for those engaged during the winter in teaching.

#### LOCATION

The location of Shaw University is especially convenient, situated practically in the heart of the Capital City. No car or cab fares will be necessary to visit the shopping district, State Department of Education, State Museum, State Library, Hall of History, and other places of educational interest. An exceedingly bracing and healthful climate makes this city an ideal place for residence and study.

#### FACULTY

The faculty for the Summer Session will be composed primarily of the regular members of the Shaw University faculty, together with additional specialists in the field of education.

### LIBRARY

A well-equipped and attractive library, consisting of more than 17,000 books, is located in Tyler Hall. It is supervised by a competent librarian who aids the students in their reference work and guides them in their general reading. Magazines and daily and weekly newspapers provide ample means for the information of students on current events. It is the aim of the Administration to make the library one of great usefulness in the education of the students in technical knowledge and general culture.

#### **OBSERVATION AND DIRECTED TEACHING FACILITIES**

Opportunity for observation and directed teaching under the supervision of the University Summer School may be provided under special conditions through the Raleigh Public School System. The facilities are available for emergency cases only. Special fee \$20 in addition to regular charges.

#### DORMITORY FACILITIES

Persons desiring dormitory accommodations during the Summer School should indicate that fact to Dr. N. H. Harris, Director of the Summer School, not later than June 1; send key deposit of \$2 with application prior to that date, making money-order payable to Shaw University. The University has adequate housing for those who desire to live on the campus during the Summer School. The women students are under the supervision of the Director of Women's activities who is assisted by Dormitory Hostesses and the men students are under the supervision of the Director of Men's Activities.

### RECREATION

Tennis, croquet, softball, and sightseeing tours are among the forms of recreation provided by the University.

In addition, several social events are held for the students and faculty of the Summer School.

#### TEACHERS' EMPLOYMENT BUREAU

The Bureau has secured each year a large number of teaching and administrative positions for students and former students. It exists for the double purpose of supplying the needs of school officials over the State and of helping students and former students to find teaching and administrative positions for which they are best suited.

#### ASSEMBLY

Assembly exercises are held in Greenleaf Memorial Hall on Mondays, Wednesdays, and Fridays. All students are invited to attend these exercises. Special addresses are arranged and interesting recitals presented.

### REGISTRATION

Teachers are requested to bring their certificates, credit slips from summer schools previously attended, diplomas, or other evidences of training. These will be needed for registration the first day. No student should expect to enter and receive credit after Thursday, June 9, for the first term and after Friday, July 15, for the second term.

#### ADMISSION

Written application should be made and forwarded in advance. A transcript signed by the president or principal of the school attended, containing a full record of the subjects pursued by the student with the time devoted to each, and his standing in the same, should be sent to the Registrar of the University before the student registers. Application blanks will be furnished on request and should be properly filled cut and returned promptly.

### Theological Courses

Theological courses for advanced Religion majors in the college or for B.D. students will be offered upon sufficient demand. Qualified students should indicate in writing the courses desired. Address request to Dean W. R. Strassner of the School of Religion not later than May 14.

### Workshop-Seminar for Principals and Supervisors

Because of the success of the workshop-seminar of other years, plans are being made to provide during the first session of the 1949 Summer School a workshop-seminar for teachers, principals, and supervisors. The workshop-seminar is designed to give its members an opportunity to clarify their thinking on problems of educational philosophy, and to give them assistance in defining educational objectives. Each member will be given a chance to work on problems which are encountered in his particular school situation. Those who bring similar problems will be encouraged to work in small, informal groups. In addition, they will have easy access to the services of a group of sympathetic and competent workshop specialist.

Those who attend will be given credit for six semester hours in supervision and administration. These hours will fulfill the State's requirement for the principal's or supervisor's certificate, and, in addition, serve to renew certificates.

Registration for workshop will begin June 6. Special fee of \$3.00 in addition to regular charges.

For further information, please feel free to communicate with the Director of Summer School.

### Special Course in Typing

Students registered in the Summer School are offered the opportunity to receive instruction in typing in a special course which will meet for an hour daily. This course can be pursued in addition to the regular credit load, but will involve an extra fee of \$15.00 for each term. In the event there should be room, persons not in regular Summer School may be admitted upon proper approval, but the fee for such persons will be \$25.00.

All persons taking the course must furnish their own typewriters and supplies. Certain companies have arranged for the sale of typewriters to students desiring to purchase them. For information concerning these purchases consult with the instructor of the class, Mrs. Martha W. Wheeler.
